

## Payment

You may select any of the payment methods explained below:

### 1. Credit card

We accept Visa, Visa Electron, MasterCard, Maestro, and V-Pay. If you use a prepaid card or a single-use “virtual” card, remember that refunds may be made only to that card. We guarantee that your transactions are totally secure. We have added **3-D Secure** technology, an extra level of security for MasterCard and Visa payments, which protects you from the unauthorized use of your credit card: it consists of the programs Verified by Visa and MasterCard SecureCode. After you enter your credit card details during checkout, a new window will appear, requesting your personal one-time password that you will receive via SMS from your enrolled financial institution (please, note that if you haven't yet registered with Verified by Visa or MasterCard SecureCode, you'll need to activate this feature first). After entering your security password, your transaction will be authorized and you will be taken back to Pakerson website.

### 2. Bank transfer to:

**PAYEE:** SUTORIUS SRL

**BANK:** Banca di Credito Cooperativo di Cambiano

**BRANCH:** CERRETO GUIDI (FI)

**IBAN CODE:** IT58 P084 2537 8000 0003 1066 939

**SWIFT:** CRACIT33

**PAYMENT DESCRIPTION:** “ONLINE ORDER” FOLLOWED BY YOUR ONLINE ORDER NUMBER.

Please, note that payments by bank transfer have to be made within three working days, otherwise the order will be cancelled.

### 3. Cash on delivery, only in the case of shipments within Italy. There is an extra charge (6 euro) for COD payment. Remember to prepare the exact amount of your order, in cash. The parcel carrier cannot accept checks and cannot make change.
